Dear Vickie:

I want to take this opportunity to thank you so much for being part of the Bloomfield Township's 9/11 ceremonies. Your participation on this very special day was greatly appreciated by the Mayor and Council and all those people in attendance. In what was a difficult day, your songs were part of the healing process for all those present.

I thank you very much for your time and your professionalism on that day and greatly appreciate your willingness to perform for this community, when the need arises. Your devotion and dedication to the betterment of this community is greatly appreciated and so very much needed. You are a great indication of a true American, and I am very much indebted to your civic-minded generosity.

Best wishes for good health and much success in the New Year.

Sincerely yours,

Raymond J. McCarthy  
Mayor
